Bike Racks @ Cassia Park: Thanks to EDEN BELANGER with Boise Parks & Rec. and a neighborhood reinvestment grant from Boise City, we have been able to install new bike racks in convenience places at Cassia Park. Great to seeing them used! We have submitted grants for the upcoming year and expect to hear about them soon!!! Check out the great photos on face book!

- Here Ye! Here Ye!! Our CBNA friend & neighbor, Mr. Chris Blanchard is interested in throwing his name in the hat to replace Gail May on the GBAD (Greater Boise Auditorium District) board! From Sarah Cunningham
- Several years ago Margaret & I were in London for a couple of nights. We walked & walked looking for a good place to have dinner. We finally settled on a place but it was pretty empty. Well, fine, we should get served quickly. When we left every table was full; the food was great and it was very memorable. That happened again tonight except we were driving. At Lucianos (at 11 N. Orchard) there were only a few cars in the parking lot; a little worried we were going to give it a chance. When we left people were waiting for our parking spot. You no longer have to drive to State Street for great Italian food. Margaret had the Seafood Fettuccine & I had the Linguine All Vongole. Need I say the food & service was great. We need to make sure this new restaurant survives. It is worth keeping. From Dick Anderson
